### **INTB - International Business | Grad**

### INTB 5000 International Business (3)

The student is introduced to the language and terminology of international business and major international political and economic policies that affect modern international businesses. Special attention is given to fundamental concepts of international finance, accounting, law, management and marketing.

### INTB 5500 Professional Seminars (1-3)

Students participate in seminars designed to examine contemporary issues in international business. The professional seminar supplements the core and elective courses in the area of international business by focusing on issues of current and special interest. This course may not be completed by directed study. May be repeated for credit if content differs. Graduate students may apply a maximum of 3 credit hours of these seminars as electives to meet the credit-hour requirements for graduation.

### INTB 5600 International Accounting (3)

The student examines aspects of accounting operations within a multinational corporate environment. Key topics of analysis include foreign exchange exposure; translation of foreign-denominated financial statements; consolidated financial statements; transfer pricing; Foreign Corrupt Practices Act; and related tax and regulatory issues. Comparison of United States and foreign practices in areas such as financial standards and reporting, auditing and performance measurements are examined. **Prerequisite**: BUSN 5600 or BUSN 5200, or equivalents.

### INTB 5630 International Law and Business (3)

This course surveys trends and practices that are part of the process of adjudication across national boundaries. Students study the interrelationships among countries as these affect individuals and business organizations attempting to operate internationally. Course content focuses on transnational business activities.

### **INTB 5650 International Business Management (3)**

Course content focuses on the development of management skills related to multinational business. Students examine the issues of operating in a foreign country or across national boundaries and how management theory and practice in an international setting differ from those in the United States.

#### INTB 5660 Global Competition and Strategies (3)

Students examine the globalization process from basic export/ import modes to global consortia, and the operational and strategic requirements of businesses initiating global operations. The economics of international trade and finance, the relation of capital flows and commercial R&D to economic and productivity growth, and the influence of company allocative decisions on competitive performance are examined. Course content focuses on strategic management of global operations and strategies associated with the functions of organization, production, marketing, financial management, human resources development, R&D, communication (EDI, SQL) and control.

### INTB 5680 Globalization (3)

Globalization is the process of integrating national economies,

### **INTB - International Business | Grad**

## INTB 5930 Modern Europe: Economic, Political, and Business Development (3)

The student studies demographic, technical, social, political and business changes in twentieth-century Europe, with a focus on the interrelationship of these factors since 1945.

## INTB 5940 Modern Asia: Economic, Political, and Business Development (3)

Students examine the integration of economic, political and business decisions in the post-World War II Asian economy and the development of the current Asian economy.

# INTB 5950 Comparative Labor Movements: United States, European (3)

Course content focuses on the major economic problems growing out of the employment relationship and the approaches that United States and European industries and unions have taken in resolving them.

### **INTB 5960 Economic Development (3)**

Students analyze modern theories of development and development policy and the relationship of these to the theories of location, trade, investment and economic planning in Third World countries.

## INTB 5970 International Business Language and Culture (3)

Students study the business language and culture of a country other than the United States in order to facilitate business communication in that nation. French, German, Spanish, or Japanese may be studied.

## INTB 6000 Integrated Studies in International Business (3)

The student applies the principles learned from prior international business courses to selected case studies and research, with practical solutions to typical international business problems. **Prerequisite**: Completion of all other required courses in this major.

# INTB 9950 Travel Course-Issues in International Business (3)

Current and significant issues in international business are examined. Course content focuses on existing theories and practices, with emphasis given to new and emerging topics in the field. This course includes a mandatory short-term travel component. May be repeated for credit if content differs.
