

Magazine Production

Certificate

19 Credit Hours

This program is offered by the School of Communications/ Communications and Journalism Department. It is available at the St. Louis main campus.

For information on the general requirements for a certificate, see Certificate under the Academic Policies and Information section of this catalog.

The certificate in magazine production allows students to explore many aspects of producing a magazine, including writing, editing, layout and design and photography.

Learning Outcomes

Successful graduates of this program will be able to:

- Demonstrate the elements of magazine production including writing articles suitable for a magazine, devising the overall content, assigning stories, editing, scheduling production and working with printers.
- Demonstrate aesthetically appealing magazine layout and design.
- Demonstrate photojournalism principles.
