## Mission Statement

The mission for the Leigh Gerdine College of Fine Arts at Webster University is to provide students the artistic training, preparation and scholarship necessary to achieve excellence in the arts as professionals. The faculty of the Leigh Gerdine College of Fine Arts is composed of working professional artists and scholars who share a passion for teaching and who hold the belief that in a diverse and technologically advancing world, the arts serve as an expression of our culture's deeper value. The College's dedication to continuing its longstanding tradition as a center for quality creative expression, combined with the University's continuing commitment as a home of significant professional arts organizations, create the rich artistic, academic and cultural atmosphere necessary to assure the success of our students in reaching their goals.

This Mission Statement clearly reflects the spirit and atmosphere that permeates the creative atmosphere of the college. The demands placed on students are enormous. In order to succeed, the faculty expect students to be highly disciplined; to be completely focused on the challenges that will be placed in front of them regularly; to be resilient in their spirit to use the talent and instruction available to achieve new levels of excellence and to understand that to be an artist in our community, it is necessary to be a citizen and a leader. The faculty are dedicated to providing the best possible opportunities to develop individual talents within the resources available at the University. It is expected that students will strive to be the best and to set the standards for others to achieve.

In order to ensure that the best opportunities are available to the students, significant partnerships are in place with the outstanding performing and visual arts organizations in the region. The Opera Theatre of Saint Louis and The Repertory Theatre St. Louis are housed on campus and perform their seasons in the Loretto-Hilton Center for the Performing Arts.
